About God's Word

PSALM 119

INTRO

Thank you Lord God for your Word, the Bible. Thank you that as I read the Bible and think about what you say, your Word will come alive and fill me with good things that I can share with other people too.

Thank you that your Word is full of truth, of wonder, of promises and good things. Lord, the Bible says in the Psalms that those who know you should 'say' so.

Therefore I am going to say these promises out loud. As I say them and pray them over myself, my friends, families and nations of the world, I receive your promises and believe that you are faithful and will do exactly what you say you are going to do.

Lord, I declare that your Word gives me life into every area of my being, every area of my life both now in this world and into eternity with you.
